Call or write us as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer on the statement or receipt. Our telephone number and address are listed on the front of this statement. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. When you call or write, be prepared to:

- Tell us your name, account number, and the dollar amount of the suspected error.
- Describe the error and explain if you can, why you believe there is an error. If you need more information, describe the item about which you are unsure.

We will investigate your complaint and will correct any errors promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error so that you will have the use of the money during the time it takes to complete our investigation.

IMPORTANT INFORMATION REGARDING YOUR READY RESERVE OR PREFERRED LINE OF CREDIT

HOW INTEREST CHARGES ARE COMPUTED - We will begin to earn INTEREST CHARGES when we make a loan to you. To calculate the INTEREST CHARGE for a billing cycle, we will apply a DAILY PERIODIC RATE to the PRINCIPAL BALANCE of your account each day. To figure the PRINCIPAL BALANCE for each day, we will first take your loan account balance at the beginning of the day and subtract any unpaid interest charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received during the day, which apply to the repayment of your loan. A portion of each payment you make is applied to interest charges and insurance premiums (if any). Then we add any new credit advances made that day. The final amount is the PRINCIPAL BALANCE.

IMPORTANT INFORMATION REGARDING YOUR HOME EQUITY LINE OF CREDIT

FINANCE CHARGES are computed upon amounts outstanding each day such amounts remain outstanding. The FINANCE CHARGE can be computed by applying the daily periodic rate of 1/365 of the ANNUAL PERCENTAGE RATE shown on the front of your statement to the "Principal Balance" for each day in the "Billing Cycle". The "Billing Cycle" includes the number of days between your previous statement closing date (billing date) and the statement closing date (billing date) shown on the front of this statement.

The "Principal Balance" is computed by adding any advances/debits to the beginning principal balance for that day and deducting all payments and/or credits for that day.

Payments are applied first to FINANCE CHARGES previously billed then to the earliest advances and/or debits, and then to FINANCE CHARGES accruing subsequent to this closing statement date until the date of payment.

Any remittance in excess of the "Total Minimum Due Payment" will reduce the "Principal Balance" but will not eliminate the next monthly payment.

HOW YOUR LOAN PAYMENTS WILL BE POSTED

Our full service business day is from 9:00AM to 5:00PM Central Time, Monday through Friday, except for designated bank holidays. All conforming loan payments received during these hours, including those made through TeleBank and Online Banking will be posted and credited to your account on the same business day. Conforming payments received after 5:00PM on a weekday, or any time on Saturday, Sunday or designated bank holiday will be posted on the following business day or as otherwise permitted by law.

Loan payments made through ATM, night depository and payments received by wire are considered nonconforming. Nonconforming payments may take longer to process.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IN CASE OF BILLING ERRORS OR QUESTIONS ABOUT YOUR CREDIT LINE TRANSACTIONS

If you think your bill is wrong or if you need more information about a transaction on your bill, write to us at the address listed on the front of this statement as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You may phone us, but doing so will not preserve your rights. In your letter, provide us with the following information:

- Your name, account number, and the dollar amount of the suspected error.
- A description of the error and explain if you can, why you believe there is an error. If you need more information, describe the item about which you are unsure.

You do not have to pay any amount in question while we are investigating; however, you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
