Invoice #13005003

February 11, 2013

Far East Controls LLC has completed 6.5 days of on-site work for the University of Pavia, EuCentre Laboratory during the period of January 21, 2013 to January 30, 2013.

In addition, the contract was extended to include more days to allow the proposed work to finish. Therefore, there is an additional charge for 1.5 days labor through February 2, 2013.

Thursday, January 31 is not charged as no work was performed on this day.

This work was done to assist the EuCentre staff to install the Transverse Axis platen on the BTS system and check out the stroke and force control modes. In addition, more training of the STEX III system was performed on the EuCentre Shaking Table. Training was provided for balancing 3 servovalves on the Damper Test System.

The labor charge for this work is **$ 5,000 USD** for the 6.5 day period, including per diem charges. . This corresponds to the quotation made by Far East Controls LLC to the EuCentre Laboratory on November 30, 2012. An additional charge of **$ 1,170 USD** is added for the additional 1.5 days + 2 days per diem. This corresponds to the verbal quotation made by Far East Controls LLC to the EuCentre Laboratory on January 26, 2013. The round-trip airfare from Manila to Milan, the Hotel Riz room charge and vehicle costs have been provided by the EuCentre Laboratory. Therefore, the additional charges for this invoice ONLY include travel charges to/from Maasin City and Manila. These charges are:
