Dear USCIS,

I'm writing this letter to inform you of my intentions to marry Jovelisa Kawaling Cubina within 90 days of her arrival in the USA.

We have started our initial marriage planning, but we have not set any exact dates because we are not sure when she will be getting to the USA.

We both appreciate your help and good efforts to assist us.

Sincerely,

A handwritten signature in black ink that reads "Rodney Lester Larson". The signature is written in a cursive, flowing style. The first name "Rodney" is written with a large, prominent "R". The last name "Larson" is written with a large, prominent "L".
