To make your hotel stay more memorable,

1. You might cancel, extend, shorten, or change your stay. Please inform Asia Travel as soon as possible to avoid penalty imposed by the hotel.
2. Do not double book, i.e. book with more than 1 agent. This will lead to confusion at the hotel. The hotel may choose to ignore double booked reservation and the guest may end up paying much higher room rates.
3. Please book using your passport name and check in with the same name. If the hotel cannot locate your name in its system, you will be charged much higher room rates.
4. Remember we are here to serve you! Please call or email us when you have problems.

Yours Sincerely,
