- Floor Layout
- Arrival & Departure Procedures
- Connecting Flights
- Airlines
- Facilities & Services
- Restaurants & Shops
- Duty Free Shops & Brand Boutiques

Airline Check-in Counters

Further information is available on the flight information board or the check-in counter information displays on the day or from your airline.

Group travel passengers: In Terminal 2, Use group check-in counters in Island North and Island South.

Attention

Some code-share flights may operate from a different terminal to that described below. Please confirm the location of your flight with your airline.

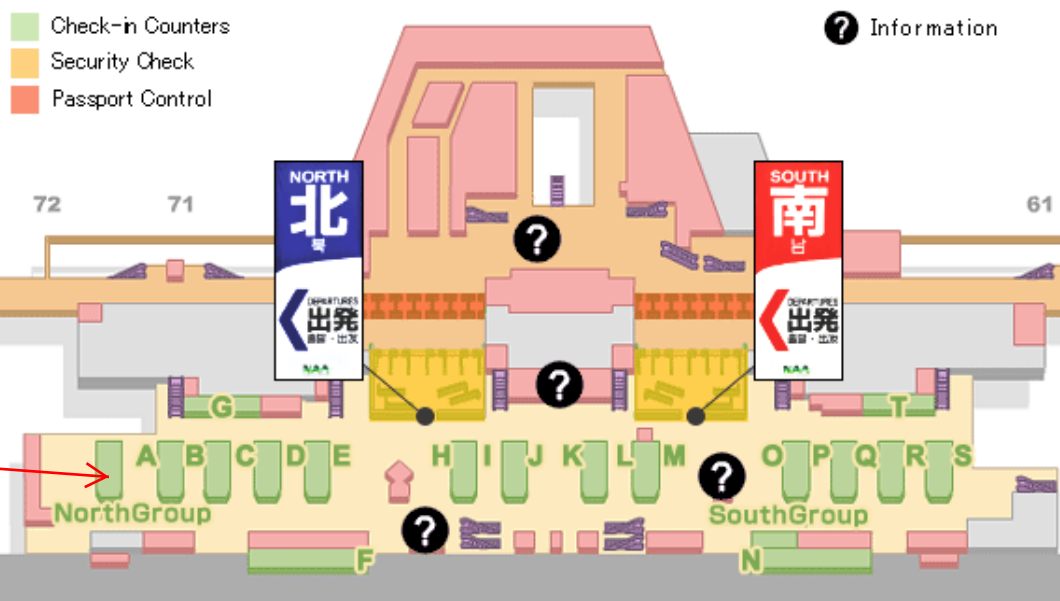

[Flight Information](#) can be checked on the day of arrival or departure.

*A code-share flight is one which bears flight numbers from more than one airline
