We are writing to you about your Social Security benefits.

**What You Should Know**

We changed your monthly benefit to \$2,801.00 as of January 2018. We found that your prior amount was incorrect.

We changed your benefit amount to give you credit for your 2017 earnings. We did not include these earnings when we figured your benefit amount before.

**What We Will Pay And When**

We pay Social Security benefits for a given month in the next month. For example, Social Security benefits for March are paid in April.

- You will receive \$225.00 around October 31, 2018.
- This is the money you are due through September 2018.
- You will receive \$2,613.00 for October 2018 around November 28, 2018.
- After that you will receive \$2,613.00 on or about the fourth Wednesday of each month.

**Information About Medicare**

We will continue to deduct the Medicare Part B (medical insurance) premium of \$187.50 from your payments.
