Arado Ar 196

Part IV: List of workshop numbers Ar 196 Class A 5 plus production at SNCASO and FOKKER

Note: With this presentation, we want to inform the reader of the team "Luftwaffe-zur-See" about the latest state of knowledge and at the same time encourage further assistance in tracking down further details. Of course, not all known identifiers of the Arado Ar 196 can be assigned to the individual work number, due to insufficient sources of information and no longer existing original files / documents or the corresponding evidence simply missing.

Last update of the list on: **26.11.2017**

Ar 196 A5, W.Nr. 623 168 in Kiel 1945

Vakante Ar 196 A3 / A5, factory number assignment unknown.
