Finnish fighter aces during the World War 2 pg. 2/2

Aces 51-94

Note! The numbering does not necessarily mean order, because many pilots have same amount of victories.

Following data is presented of each ace:

1. Full name + nickname / callsign (if known)
2. Date and place of birth (*) and date / year of death (+, if known)
3. Promotions
4. Units (during the war)
5. Gained medals
6. Flown aircrafts (based on kill lists and/or units + timing)
7. Total amount of confirmed kills and sorties flown
8. List of downed enemy aircrafts of different types (only for top 10 aces, including the missing ones)
