

Travel Information

Accommodations of the Tokaido Shinkansen

N700A (In case of using NOZOMI trains)

First Class Car (Green Car)

Ordinary Car

Outlet for Mobile Devices

	Reserved		Green Car		Telephone
	Non-Reserved		Non-Smoking Car		Wheelchair accessible seat
	Multi-Purpose Room	(Seat reservation is required. We allow reservation until two days prior to your boarding.)			
(This room is primarily for disabled passengers.)					

All seats are non-smoking.

Smoking rooms are available and located in ordinary cars #3 (Hakata side), #7 (Tokyo side), and #15 (Hakata side), and in Green Car #10 (Tokyo side).

Circumstances may result in another train being operated for this service in which case all cars will be non-smoking. In this instance there will be no place to smoke anywhere on the train.

Electric outlets for mobile devices are located at every seat in Green Cars. For ordinary cars, outlets are located at window seats and at seats at the very front and very back of the car.

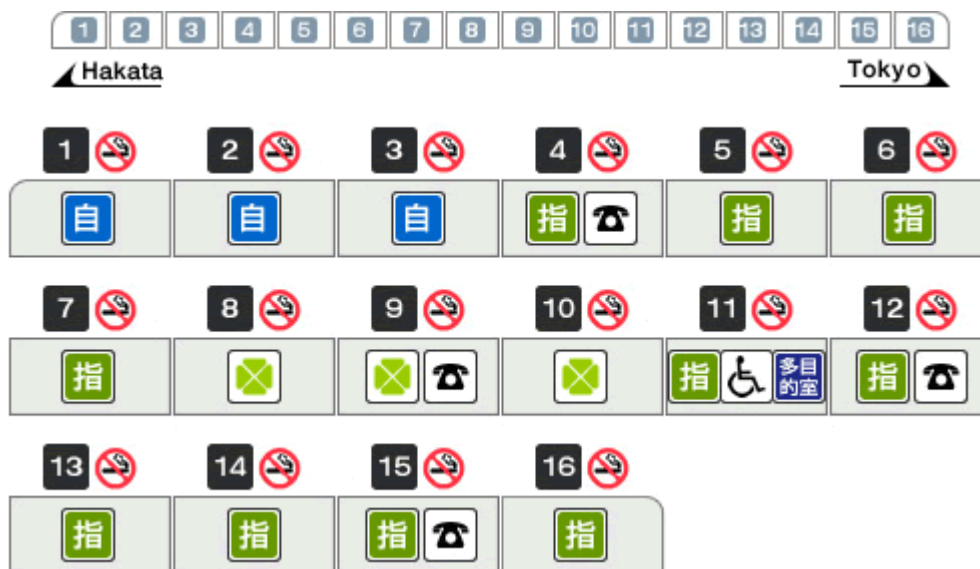

Train configuration may be altered without notice.

For your safety, don't rush for your train.

Please switch your mobile phone to silent mode.

Please notify the train crew immediately, if you find any suspicious items or unattended baggage.

700 (In case of using NOZOMI trains)

	Reserved		Green Car		Telephone
	Non-Reserved		Non-Smoking Car		Wheelchair accessible seat (Seat reservation is required. We allow reservation until two days prior to your boarding.)
	Multi-Purpose Room (This room is primarily for disabled passengers.)				

In some trainsets the telephone facilities in car #15 are located in car #16. Circumstances may result in a Series N700 being operated for this service in which case all seats will be non-smoking. However, smoking rooms will be available.

Train configuration may be altered without notice.

For your safety, don't rush for your train.

Please switch your mobile phone to silent mode.

Please notify the train crew immediately, if you find any suspicious items or unattended baggage.
