This is not a VAT invoice.

Retain this copy for statement verification.

Please note that if you make changes in your booking, they could result in charges applicable by policy and availability.

When you book a hotel located in the EU, Hotels.com, LP does not issue VAT invoices because it does not charge VAT on your bookings. This is due to the operation of a special EU VAT scheme for tour operators and travel agents which applies to Hotels.com, LP (a limited partnership established in the United States). Your booking confirmation does however act as a payment proof. The "tax" charges referred to on your booking confirmation therefore do not relate to VAT charged to you by Hotels.com, LP, but to any transaction taxes incurred by Hotels.com, LP (e.g. sales and use, hotel occupancy tax, excise tax, etc) that Hotels.com, LP pays directly to the hotel in relation to your booking.
