1136600

BENEFICIARY'S NAME: RODNEY L LARSON

We review Social Security benefits each year to make sure they keep up with the cost of living. The law does not permit an increase in benefits when there is no increase in the cost of living. So your benefit will stay the same in 2016. There was no increase in the cost of living during the past year based on the Consumer Price Index (CPI) published by the Department of Labor. The CPI is the Federal government's official measure used to calculate cost of living increases.
