## Calculator Results

Below your paycheck results are broken down into three sections. First is "Your Paycheck Results" which is your gross pay and specific deductions from your paycheck. Next is "Net Pay" or your take-home-pay. Finally is the "Calculation Based On." This is the info that you selected or entered into the calculator to get these results.

| Your Paycheck Results          |             |
|--------------------------------|-------------|
| Weekly Gross Pay               | \$3,400.00  |
| Federal Withholding            | \$153.89    |
| Social Security                | \$210.80    |
| Medicare                       | \$49.30     |
| Minnesota                      | \$72.00     |
| Net Pay                        |             |
| Net Pay                        | \$2,914.01  |
| Calculation Based On           |             |
| Check Date                     | 05/08/2013  |
| Gross Pay                      | \$3,400.00  |
| Gross Salary YTD               | \$18,000.00 |
| Pay Frequency                  | Weekly      |
| Federal Filing Status          | Married     |
| # of Federal Allowances        | 28          |
| Additional Federal Withholding |             |
| State for withholding          | Minnesota   |
| Total Allowances               | 28          |
| Additional State Withholding   | 0           |
| Exempt State                   | false       |
| Filing Status                  | M           |
