karen,

Ooops...thank you. I will let Dave Kusner know. He will have to do something, I think.

Your account expired

I'm checking with HR to
see how long your contract has been extended.

Problem logging into remote.mts.com

Karen,

Login

fails because of bad username/password. I changed password from RLasd1234 to RL1234asd but that did not solve it. Any clue why mysteriously went bad (again...hehehe.). My username = go\larsonr

Didn't get timesheet in yet this week cuz worked Saturday.
