Hello Rod-san,

The best hotel is Toyoko Inn Shonan Chigasaki-eki Kita-guchi
 URL: http://www.toyoko-inn.com/e_hotel/00198/index.html
 This Hotel location is next to J-Power. (Very close to J-power)
 So we always use this hotel for J-Power's job.

The aother is Dai-ichi INN Shonan
 URL: http://www.hankyu-hotel.com/cgi-bin2/cms2/index_en.cgi?hid=13dishonan
 The nearest station is Tsujido.
 It takes about 5 minutes to Chigasaki station.

Please confirm these hotel's Home page.
 And If you have any questions, please let me know.

Best regards,
 Masato

Where is the best place to stay for this project? As I remember from the installation, there were no hotels near the site. We stayed then at the Yokohama Bay Sheraton. Would that still be the best place? I remember the train was about 30 minutes to Chigasaki.

I am available for the entire installation time Jan 12-29.

Hello All,

How is the progress of this job?
 We are waiting for your schedule of events for installing the 469D controller GUI PC. So could you send it, if you have?

Start date of installation: 12th January 2016 Acceptance date: 29th January 2016

And assinged FSEs will be the following.
 1. Main: Suguru Mitsumoto
 2. Work Support: Mario Sakane and Takahiro Furukori

Best regards,
 Masato

Hello Rod-san,

We haven't decided who is assigned yet.
 So when we decide the assinged FSE, I inform you as soon as possible.

Best regards,
 Masato
