Hello Rod,

Sorry I missed you this past week. I was taking most afternoons off to catch up on home projects. Lots of rumors about layoffs but nothing happened. Hope your travels are going well.

Chiharu has booked you a hotel for October 31st to Nov 1st.

Regards, Dave

Hello Dave-san,

I keep Rod-san's hotel room at Richmond from October 20th to 31st and November 2nd to 22nd.

Also from October 31st to November 1st, I have booked for him at Yokohama Isezaki Washington Hotel.

Brad-san will stay at Washington too on the same schedule because of Richmond is full.

So, I hold the booking for Washington and Richmond on November 2nd night.

Is it right ?

Best regards,

Chiharu

Hello Chiharu,

Rod Larson will be arriving on site for this project October 20th and he plans to leave November 9th. He has booked his own hotel at the Richmond but he can't get a hotel room for Oct. 31, Nov 1 and Nov 2nd because they are full. Can you recommend another hotel nearby? Or can you find out if it is possible to book a slightly more expensive room at the Richmond?

We will have many other people on site at this time. Can you find out if we need to find another hotel?

Thanks, Dave

Hello Jim-san,

I talk to the hotel staff and I confirm that your room has been booked until October 25th.

However you will have to change the room on the 11th or 12th floor on October 4th.

Sorry for inconvenience.

If you will check out on October 11th, may I cancel the extra days of your booking ?

Or you still keep the room until October 25th?

Please let me know it.

Best regards,

Chiharu

Hello Chiharu-san,

I checked in last night and they only had my reservation through October 4th, could you call and have them reserve my room through the night of the 10th please. My current flight itinerary has me returning to MSP on the 11th. I will, however, stay until the system is in good operation so I may extend past the October 10th date.

Thank you.

Jim

I arrive on the 24th. Hugh is coming, he was going to solidify the dates, then get back to me. I told him to supply name, birthdate and address to Kiyo as soon as possible.

Kiyo,

I'll check with Jim when he gets in. We may also have Hugh Sparks come over to help out.

Hello,

Just confirmation,

Jim is arriving in Yokohama on 9/24? Or 9/25??

We will cancel the hotel reservation for Don or Keith since nobody will come with Jim. OK?

Kiyo

We are unable to get any additional support. So it seems that Jim will be the only person from Mpls.
