Sorry Dave-san, unfortunately, Tobu Levant Hotel is already fully booked for some days we want to reserve.
So, I made a reservation at Royal Park Hotel for you, check in July 1st, out July 5th.
For Jim-san, check in July 1st, out July 29th.
Details are as follows,

Royal Park Hotel
<http://www.rph.co.jp/english/>

For Dave-san,
Check in: July 1st
Check out : July 5th
Room type: Double (single-use, non-smoking with breakfast)
Room charge: JPY 112,000 (including tax & service charge) as your total staying

For Jim-san,
Check in: July 1st
Check out : July 29th
Room type: Double (single-use, non-smoking with breakfast)
Room charge: JPY 840,000 (including tax & service charge) as your total staying

It is difficult to book the same room continuously in Tokyo, because July and August is the vacation season in Japan, too.
Kinshicho where MTS Japan office stands is convenient to access to the central Tokyo and Tokyo Disney Land.
Hotel charge is not so expensive, so hotels near here is busy in July and August.

Best regards,
Chiharu

Hello Dave-san,

Thank you for the information Lotte City Hotel is not good, recently.

Tobu Levant Hotel stands on next to MTS Japan office.

Please check below web site.

<http://www.tobuhotel.co.jp/levant/>

Royal Park Hotel stands on Nihonbashi-area, it takes 10 to 15 minutes by taxi from the hotel to MTS Japan office.

Or 3 stops by taking a Hanzomon line of metro from Suitengu-mae station near the hotel to Kinshicho station.

You can expect high quality service from the hotel, so charge is higher than Tobu Levant Hotel.

Please let me know your preference.

Best regards,
Chiharu

Hello Chiharu,

Could you please book Jim Rosenow and myself at the hotel near MTS Japan office. Jim is scheduled to arrive on July 1st and stay in Japan for 3 to 4 weeks. I will most likely arrive with him on the same date and plan to stay for one week. Returning on July 5th.

Please do not book us at LotteCityhotel. They changed their breakfast and we would like to try a different hotel. The rooms weren't that great either.

Please send us the website for the hotel closer to the MTS Japan office.

Thanks, Dave
