Going back to Narita, be sure to get out at Terminal 1 (ONE) and NOT Terminal 2 which is the 1st stop at the airport. Also, go to the North wing which is the 2nd stop at Terminal 1. That is the wing for Delta Airlines.

Coming into Narita on Delta, you will come out the North Wing Customs (right side on map) and the Orange Limo bus ticket counter is straight across from exit from customs. A hard left takes you to a change bank to change money. Best rate in town. Change some money there. Then buy a ticket to Tokyo City Air Terminal (T-CAT). There is a special on now for 1900 yen because of 60th celebration of the limo company (usual fare = 3000 yen). Bus will leave from #1 or #2 spot on the street right outside door. Ticket people speak English and will tell you which boarding spot to get the bus.
