Testimonial

I bought my travel insurance plan through policies online. TravelInsurance.com and site had a great experience. The quote and checkout process are very easy to use. I got my policy via email in a few short minutes. Will shop for insurance here again.

When you take your family on an international vacation, you want the peace of mind that you are protected by the right amount of coverage. Classic with Trip+ doubles nearly all the post-departure coverage of the Classic Plan, including emergency medical and dental, emergency medical transportation, baggage loss, baggage delay, travel delay, and missed connection. Plus, there's still no charge for covering kids 17 & under when traveling with a parent or grandparent!
