Advise about making reservation through e-mail

1. Reservations through e-mail should be done at least two days in advance. If you wish to make a reservation one day in advance please make it by phone.
2. Please make sure that your web domain does not refuse our e-mail address before making applications or inquiries. If we are refused by your web-domain we can not send an e-mail to answer your questions or applications even if we received them.
3. Please make sure that your phone/cell phone number is accurately written before sending the e-mail.
4. After making a request by e-mail, you will receive an automatic confirmation e-mail. This e-mail may be regarded as junk mail depending on what e-mail service you are using, so please check the junk mail folder if it does not appear in your inbox. If you do not receive the confirmation e-mail in one to two days, please let us know by phone.
