

Quotation #12008012 for Dalian 469D Upgrade

December 10, 2012

Far East Controls is pleased to quote the following services for the 469D Hardware and Software Upgrade to the Seismic System at Dalian University in Dalian, China.

I. Hourly Rate

The standard time for an upgrade from a Radisys PC/Ariel DSP to a GUI PC/PowerPC system is two weeks. The labor charge is then **\$6,800.00**

II. Per Diem

Per diem shall be charged at the standard rate of **\$75/day**. There will be a total of 14 days per diem for a total of **\$1,050.00**.

III. Hotel and Airfare

Hotel and Airfare will be charged as normal. The airfare should be less than \$900.00 and the hotel should be in the range of \$2,000.00. The total for this should be **\$2,900.00**.

IV. Leyte-Cebu Travel

The ferry to/from Leyte to Cebu will be \$75.00. The hotel in Cebu for 1 day on each end of the trip will be \$155.00. The total for this section should be **\$230.00**.

V. Chinese Visa

The Chinese visa will cost about **\$350.00**.
