The Registration Key for R-Wipe&Clean license is

RAAAGAWseDEYzvdpl04rDtfXsYLUDusBp8U5BvBeRN3u+PTViB2FD60HS/1J+wQEI+GmPtMu3U7Sf9HHkYH+lvxEuhv3

Just copy and paste it in corresponding field of the product registration window.

We`d recommend you to keep a copy of your registration key in a text file (*.txt) for backup purposes.

A copy of your registration key(s) has been sent to your e-mail box(es) rodlarson100@yahoo.com and larsonr01@yahoo.com

If you don`t receive it within the next couple minutes you most probably have a filter on your mail server and can't receive with attachment. The message with registration key has a small attachment with registration key copy.

Using your order information you can access Registered User's Console <https://secure.r-tt.com/UserConsole.shtml> , check mail to any alternative e-mail like hotmail.com, yahoo.com, etc. and then request resending your registration key to the

Unfortunately we can't provide you with the registration key over the phone because it contains the end user information more than 90 characters.
