Dear Taxpayer:

Thank you for your inquiry dated Feb. 24, 2011.

We accept your offer to pay the amount you owe by Apr. 25, 2011. The current total amount due is \$9,651.96, including penalty and interest charges to that date. After that date, we will continue to charge penalties and interest until you pay the total balance due.

We're providing below a general explanation of the possible penalties and/or interest included in the current balance due on your account. If you would like a specific explanation of how the amounts were computed on your account, please contact us at the toll-free number shown in this letter and we will send you a detailed computation.

Initially, the penalty is 1/2% of the unpaid tax for each month or part of a month the tax isn't paid.

If we issue a Notice of Intent to Levy and the balance due isn't paid within 10 days from the date of the notice, the penalty increases to 1% a month.

The penalty can't be more than 25% of the tax paid late.

If your employer is not withholding enough tax from your wages, you should file a new W-4, Employee's Withholding Allowance Certificate, with your employer to change the amount of your withholding.

--ESTIMATED PAYMENTS. If you don't pay your tax through withholding, or don't pay enough tax that way, you may have to pay estimated tax. People who are in business for themselves generally pay their tax this way. Estimated tax is used not only to pay income tax, but self-employment tax as well.

If you need more information about changing your withholding or making estimated tax payments, please refer to Publication 505 which provides more information. You may order forms or this publication by calling toll free at 1-800-TAX-FORM (1-800-829-3676) or by visiting our website at www.irs.gov.
